Spring 1

This Week

We hope you had a lovely Christmas and a Happy New Year! The children have settled back into school well after their Christmas break and it has been lovely to hear what they got up to over the holidays. We have started our topic: 'Are carrots orange?' this week by exploring, tasting, and looking at fruit and vegetables. Next week, we are going to be making a fruit salad and planting our own seeds. In maths, we have been learning about teen numbers and how they are represented.

This half term

'Are carrots orange?' is our new topic for this half term.

Possible lines of enquiry:

- food
- recipes and cooking
- healthy eating
- the benefits of exercise
- origins of different food

Reading records

Well done to all the children that have been reading at home:

25 reads

Rumejsa

50 reads

Levi Emily Mehnoor Aadhira

100 reads

Taylor

Special Events/Activities/News

Thank you to parents/carers for your observations on Tapestry over the Christmas holidays. Your observations contribute as evidence to support our assessment of your children's abilities.

After school clubs start next week. If your child wants to start a club, please ensure that you sign up for one in advance.

Reminders

We have PE every Monday and Wednesday so please ensure your child is not wearing earrings on these days. All children must have a full PE kit in school. Thank you for your cooperation.

Lots of items of clothing have been misplaced at school. Please ensure that every item of clothing is labelled with your child's name including hats, gloves etc. If your child has brought a piece of clothing home that is not yours, please return it and we will get it back to its owner. Thank you!
