

Reception Newsletter

14.06.24

This Week

We have been learning all about jelly fish and different species of under the sea creatures this week. We have created posters, designed jelly fish, created rainbow fish and written lists of what we would take to the beach.

In maths this week, we have started to add and takeaway objects using number sentences, a number line and a 100 square.

This half term

This half term our topic is called, 'Rock Pool.' We will be learning about:

- Different types of fish
- The life cycle of a frog
- Life at the beach
- The beach in the past and the beach now

Next week.

We will be looking at photographs of different beaches and writing postcards to our family and friends. We will be reading *The Rainbow Fish*.

Reading records

Thank you so much to all of the parents who are continuing to read at home with their children.

Special Events/Activities/News

If anybody has any toys or dressing up clothes that they no longer require, would you mind kindly donating these to reception class? Thank you.

Our class next class assembly is Friday 28th June 2024.

Reminders

Please ensure your child has a PE kit in school on a Monday and Wednesday Please ensure these are named. Thank you.
